4 ROAD RACE LEAGUE REPORT AS OF 19TH NOVEMBER 2014
Presented by Mark Rowson

4.1 The Road Race League has one race to go but we already know who the winner is. Well done to Rob Evans with a perfect 270 score. Joe, Tim and Geoff are fighting over 2nd and 3rd places.

4.2 The summer league races seem popular as ever. We had 78 entries in total over the five races with Rob Evans, Anthony Williamson, John O'Donnell and Christine Bexton taking part in all five races. In the mens league, Beeston finished 12th.

4.3 The 2015 Summer League races are yet to be confirmed but provisionally they are exactly the same as 2014 and the same weeks.

4.4 There will be a few changes to the races in 2015 to keep things interesting but keep the Summer League races in because they are free and also keep in the County Championship Races. The Turkey Trot has always been a favourite but is getting increasingly difficult to enter. It fills 110 places in just a few hours so in fairness to all, this race will disappear from the calendar next year.

4.5 Notts AAAs Awards
Katie Jones
1st and County Champion at 5K

Christine Bexton
2nd overall County Champion at Marathon
Summer League V55 champion
V55 County Champion at 5K, 10K Half Marathon & Marathon
2nd V55 County Champion at 10 Miles

John O'Donnell

4.6 Well done to many runners have achieved PBs during the year and wish everyone an injury free 2015.
